Roundup Program Circle Ten Council Is Now Underway

Microfilm Service Co. Sales Co. P. O. Box 8066

"Operation 8-17" 1955 Roundup Program Ten Council, Boy Scouts a Community Chest Agen- der way in the 14 and ha- unties of the Council and 21 D- tricts with 679 Scouting Units and a membership of 18,841 on September 1, said R. M. Allman, Council Commissioner, this week.

"Operation 7-17" refers to the thousands of boys in the Council from the ages of 8 through 17 who are eligible for membership. Boys, 8, 9 and 10 may be Cub Scouts, boys 11 through 13 years of age may be Boy Scouts and young men 14 through 17 may eb Explorers.

The Roundup Program, said Mr. Allman, is designed to help existing Cub Packs, Scout Troops and Explorer Units become more active with the Fall Program and to recruit and enroll new members. "Operation 8-17" involves three Commitments to be made by the Unit Leaders of each Unit: Commitment No. 1, that the Unit pledge to recruit so many new boys before Sept. 15; Commitment No. 2, that every boy would advance one rank between Sept. 1 and Dec. 15; Commitment No. 3, that the Unit will participate in the Good Will Smile Day Clothing Collection, Oct. 23, or a similar Good Turn in the Units or Community.

A Neckerchief Slide will be given to each Cub Scout, Boy Scout, or Explorer who recruits a new member. At the close of the Roundup on December 15, each Unit qualified for its three goals, will receive an Embroidered Pocket Patch for each boy in the Unit. To each Unit qualifying in each of the three Commitments, will be presented an Honor Unit Roundup Banner.

Mr. Allman urges every Unit Leader to return the Unit Commitment Sheet to the Circle Ten Scout office by October 1.

City Officers Roy Dell Dickerson and Claude Fraze investigated the accident.

Newspapermen Of Collin Co. Form Association

Newspapermen of this county met at the McKinney Country Club Friday night of last week, at which time they organized the Collin County Press Association.

Members of the newly-formed group and their representatives include Tom W. Perkins, Jr., and L. L. (PETE) Perkins of the McKinney Daily Courier-Gazette and the Weekly Democrat-Gazette; Wofford Thompson of the McKinney Examiner; Truett Smith of the Wylie News; Burton Fielder of the Farmerscille Times; Bennie O'Brien of the Celina Record, and Arthur A. Bagwill and Don W. Bagwill of the Plano Star-Courier and the Frisco Journal.

Bagwill Named Chairman.

Don W. Bagwill was named chairman of the Association for the first six-month period, with a new chairman to be elected each six months.

The Association will hold regular meetings, subject to the call of the chairman. The next meeting will be held in about six weeks at the McKinntey Country Club when wives of the newspapermen will be guests.

Further meetings are expected to rotate among the member cities.

Hosts at the organizational meeting Friday night were Tom W. Perkins, Jr., and L. L. (Pete) Perkins. Supper was served preceding the meeting.

School Board Holds Monthly Meeting Tuesday

The McKinney Independent School Board members met at Boyd High School Tuesday evening in the regular monthly session. Dr. C. J. Hicks, Jr., chairman of the board, presided over the lengthy business session during which numerous issues were discussed.

New Teachers.

Several new teachers were elected including Thomas Gray, history and "B" team coach; Mr. and Mrs. Robert Davis, J. A. Calhoun, Mrs. Robert Ramsey and Miss Margaret Duckworth.

Coach Gray, who recently returned from the service, played on the varsity team of North Texas College for three years.

Davis will be half time choral teacher in the Junior High, having taught choral work last year at Van. His wife, will teach math. Mrs. Davis, holding an M. A. degree, taught in the Kaufman schools last year.

Calhoun will teach English and speech. He was a member of the graduating class of Austin College, at Sherman, the past Spring. Mrs. Ramsey has been assigned as a sixth grade teacher and Miss Duckworth will teach second grade.

Colored Teachers Hired.

The teachers in the Doty (Colored) school were also elected at the meeting. They are: John W. Fenet, principal; Irene Dolores Clayborne, Ruth Doty, Doris Eikner, Aquilla Johnson, Iola Malvern, Bobby Jean Reed, Caldonia Young, Merita Brown, Lottie Ed Clemons, Leonard Evans and Albert A. Malvern.

Supt. Hailds Pearce reported the East Ward School addition, of four new classroom, is being occupied. The construction on that building has been completed with the exception of lockers, which are on order.

Apply For Land.

A direect need for additional schools in McKinney to take care of the over-crowded condition which now exists, occupied a major portion of the discussion. An application has been made by the board to the Federal Government for 40 acres on the Southwest section of the VA Hospital grounds, for future buildings. The application can be amended for more or less land, if needed.

The Board also voted to have an architect study plans for new buildings.

Enrollment 2,518.

The enrollment in the public schools was anounced, showing a present enrollment of 2,518, which is expected to pass the 3,000 mark before the year ends.

In submiting a financial report, Supt. Pearce stated that an auditor was in the process of auditing all school books at the present time.

Mrs. Walter Howell is visiting in Greenville Tuesday.

New Hospital Need Is Now Imperative

★ ★ ★

The need for a new hospital for Collin County has become imperative, according to the opinion of Many Collin County citizens.

It has become increasingly apparent that the now out-dated hospital, with its tremendous cost of up-keep, is holding he cost of operation too high for efficiency.

The cost per day per patient in McKinney is substantially higher than the average cost per day for the State.

Because we need new facilities so badly, the State Board of Health has agreed to grant, under the Hill-Burton Act, and without obligation to Collin County, one-half of the estimated cost of building and equipping a new hospital.

The remaining cost of the new hospital is to be raised by a bond issue.

A petition which will carry the names of hundreds of property owing taxpayers in the county will be presented to the Commissioners Court asking the Court to call a special bond election, said election probably to be held sometime in October.

The decision to present the proposal for the new hospital to the citizens of Collin County was reached by the Board of Governors after an intensive study covering many months.

Information has been accumulated by special committees of the Board after traveling thousands of miles viewing both new and old hospitals, and studying their operations. Every angle relative to our present situation has been looked into.

It has been found that an increase of 10 per cent in property valuations, as it applies to County and State Taxes only, will retire the bond issue.

In order to better acquaint the citizens of Collin County with the true situation, a list of questions and answers has been compiled and is prined below.

I. What is Our Present Hospital

A. Present building is too small, in poor condition, expensive to maintain and the expense increases each year.

B. Condition of equipment is poor. It has passed usual age of retirement. It is inadequate and expensive to maintain, and we do not have enough modern equipment.

C. Due to the condition of the building and equipment, we are operating at an excessively high cost.

II. What Are Our Needs?

A. A completely new, modern, well equipped, air conditioned quiet hospital.

B. This decision was reached after years of study by the past and present Hospital Boards of Directors, and after experts in the field of hospital planning and operation has made studies of our situation and who advised that this is the only practical solution.

C. A nationally known firm of Engineers and Architects, working in cooperation with State and Federal health authorities, has submitted, and the Hospital Board and Medical Staff have adopted, plans for the construction and equipment of a 90 to 100 bed new hospital with all connected services.

III. What Will it Cost?

A. Between $1,300,000.00 and $1,500,000.00.

IV. Where Is the Money Coming From?

A. Federal Goverment has made a grant under the Hill-Burton Act to pay one-half of the total cost.

B. Collin County must provide the other one-half of the toal cost.

VI. How Will This Affect the vide Their Part?

A. By voting a Bond issue not to exceed $750,000.00, which is to repair in a period not to exceed forty yeears.

VI. How Does This Affect the Individual Property Tax Payer in Collin County?

A. There will be an across the board increase in present tax valuation not to exceed ten per cent, which will apply only to County and State taxes.

Examples of Maximum Increase:

1. If the individual taxpayer is now paying $10.00 county tax, and if it becomes necessary to increase the property rendition by the full amount of the ten per cent, his tax would then be $11.00.

2. If present tax is $100.00, it would then be $110.00.

3. If present tax is $1000.00, it would then be $1100.00.

VII. How Will Our Present Hospital Be Used After the New Hospital is in Operation?

A. Present building and equipment are suitable for a convalescent home and can be used for a patients who require longer periods of care than acute hospital care, with a material decrease in cost to such individuals.

VIII. How Will the New Hospital Benefit Us? . . . . . .

A. Experience gained by other new hospitals of comparable size proves that better hospital service cen be rendered at a lower cost than is possible under the present condition.

B. As we are not a profit-making hospital, any saving realized in the operation will result in a saving to the patient.

C. We believe that the people of Collin County will receive the best possible medical and hospital care by virtue of the construction and equipment of a new hospital, and we know that they are entitled to such care.

IX. The New Hospital will be a County Owned Hospital.

Miss Margie McGraw has returned to East Texas Baptist College, at Marshall, to resume her studies for the fall semester. She is the daughter of Mr. and Mrs. A. E. McGraw of this city.

Mrs. Jim B. Goodner and Mrs. T. P. Dooley have returned from a vacation spent in Colorado.

Rotary Club To Welcome District Governor Friday

FORREST E. ROBERTS

The Rotary Club of McKinney will be host Friday to Forrest F. Roberts, Governor of the 188th District of Rotary International, who is making his annual official visit to each of the 51 Rotary Clubs in Northeast Texas and Southern Oklahoma. He will address the club and confer with President James C. Andrews Secretary, Horace H. Neilson and committee chairman on Rotary administration and service activities.

Mr. Roberts is owner of the Roberts Implement Company and Forrest Acres ranch at Carthage, Texas, and is a member of the Rotary Club of that city. He is a graduate of Texas A and M College and a business and Civic leader in his community.

He was elected District Governor of Rotary International for the 1955-56 fiscal year at Rotary's Golden Anniversary Convention in Chicago last June. He is one of 238 District Governors supervising the activities of some 8,700 Rotary Clubs which have a membership of 414,000 business and professional executives in 92 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, President Andrews asserted in his discussion of the Governor's visit, their activities are similar to those of the Rotary Club of McKinney because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community-betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the past fiscal year, 416 new Rotary Clubs were organized in 50 coutries of North and South America, Europe, Asia Africa, and Africa, and the Islands of the Pacific.

Fair Livestock Entries Due By September 15

Final date for turning in entries in the Livestock department of the Collin County Fair, is September 15 according to Joe C. Moore general superintendent.

Mr. Moore, resident of Melissa was in McKinney Monday, making arrangements for the biggest livestock exhibit in the history of our county fair. He urges all exhibitors to send in the number of head they will have in the fair, along with entry fees, on the above date, so that arrangements may be made for stall space. This final entry date also applies to the poultry department.

On the night of September 21, all livestock superintendents of the Fair will meet at Mr. Moore's home in Melissa, to complete arrangements for the big exposition.

Gus Stelzer, of Celina, spent Friday night with Mike Ramos, at Cottage Hill.

Sgt. Everett Brandon To Head Sub-District Highway Office

A sub-district office of the Texas Highway Patrol will be located at Sherman, according to Sgt. Everett Brandon, who arrived in Sherman September 1. The new office will serve a four-county area including Grayson, Fannin, Collin and Lamar.

Former Residents.

Sgt. and Mrs. Brandon, and their son, Howard, are former residents of McKinney where both were with a wide circle of friends. From here Sgt. Brandon was assigned to patrol duty in Tyler, and from that city, he was transferred to Sherman.

A veteran of 22 years with the state, Sgt. Brandon has served 18 years on the Highway Patrol and had four years prior service with the Highway Department. He was born in Paris and is a graduate of Paris High School.

In 1928 he entered the U.S. Army and served three years, including a period in Panama. He was discharged in 1931 and immediately entered state service.

Sgt. Brandon will assume duties as supervisor of the new sub-district. Central district No. 12 is directed by Capt. Harry Hutchinson, whose office is in Dallas.

During the years he has been with the Texas Highway Patrol System, Brandon was in McKinney for 18 years. He is regarded as one of North Texas' most popular peace officers and his new supervisory position is being received with much interest here.

Improvements Are Made In Schools Here

The J. W. Webb School of McKinney has been wearing a brand new face since the opening of school with its four new rooms which were built during the summer. Improvements to the school cost $32,000.

Occupying the four new rooms are two fifth grades and two sixth grades. The floors are covered with asphalt tile.

Custodians Do Work.

Custodians of some of the other McKinney schools have been busy making improvements. At the Fanny Finch School the outside and all the ceilings inside were painted, and the floors were all sanded, varnished, and polished. New desks and chairs replaced the old ones in the third and fourth grades.

Hill School Painted.

J. H. Hill School, which was redecorated inside and out last year, was re-painted inside.

A new room was opened for use in both Junior High and Senior High, and the floors there were refinished.

The school board had previously voted appropriations for these improvements, which came out of the current School fund.

Plano Beats F'ville

By FRED DICKINSON

Coach Red Massey's Plano High Wildcats worked the T-formation with flawless perfection to swamp the young Farmersville Farmers, 39-0, before a big crowd, at Farmersville High Stadium, Friday night.

Coach Raymond Bennett's young Farmers were no match for the rampaging red team from South Collin in this feature game of the first week of high school football in the county. Both teams are Class A but this was a non-conference game.

James Harrington presided at the "man under" slot in Coach Massey's T-formation "belly" series of plays that ran the Farmersville ends ragged. This neat running attack, featuring two long striding backs, Tommy Shields and Jim Gordon, running behind fierce blocking by little Lester Prince, a veteran fullback, piled up 296 yards from scrimmage.

Farmersville, featuring some good passing by young Bunny Bennett, and several good runs by little Joel Gambrell, one of the fastest high school backs in the state, made only one serious threat to score. This came in the first quarter on a pass from Bennett to Henry Latham, a halfback, that carried the ball to the Plano 21. There the Wildcats stiffened and stopped the attack cold.

Plano's first two touchdowns came as the result of recovered fumbles. Sam Shields, a whirlwind linebacker for the Red team, recovered the first one on the Farmer 12. Gordon made the last 7 yards on a right end sweep. Tommy Shields chased the second score over with a 21-yard gallop up the middle from the Farmersville 21. The Wildcats went 51 yards for their third score with Tommy Shields again scooting over, this time from the 21. Sam Shields blocked Henry Latham's punt in the third quarter to start a Wildcat drive from the Farmersville 34 that culminated in a wide 26-yard end sweep by Gordon with some swell blocking by Prince clearing the way.

Prince himself scored the fifth Wildcat touchdown on a 4-yard blast at left guard on the last play of the third quarter. The final Wildcat score of the night came on the game's most spectacular play, a 59-yard gallop up the middle by young James Uselton. Sam Shields blocked another Latham kick to give the Plano boys the ball on their own 41. Uselton, who came into his first game on the next play, had his number called by Harrington and obliged by breaking through the middle of the line and going all the way for a touchdown. Harrington had the Farmer defense badly muddled by some deft faking on this one, and young Uselton broke into the clear before anyone realized he had the ball. He outran and outweaved the Farmer defense.

James Sartin, the Wildcats' 280-pound tackle, kicked three extra points with Harrington holding.

For Farmersville, Jerry Smith proved to be an outstanding defensive man, who stayed in the middle of the speedy Plano offense all night. For Plano, Sam Shields was outstanding in the defensive work.

STATISTICS

Farmersville—5 first downs, 31 yards net rushing, attempted 15 passes, completed 4 for 20 yards, 10 incomplete and 1 intercepted (Doyle Braden); punted 3 times for 19-yard average, penalized twice for 10 yards; fumbled three times with Plano recovering all three.

Plano — 15 first downs, 296 yards net rushing; attempted 3 passes, 1 completed for 31 yards, 2 incomplete and none intercepted; punted twice for an average of 36 yards; penalized 4 times for 40 yards; fumbled twice, recovered once.

Johnny Tompkins, grandson of Mr. and Mrs. Virgil Fisher, has returned to his home in Stephenville after a ten days visit with his grandparents who reside on Route 1, McKinney.

Mr. and Mrs. D. J. Ratliff and family attended the Ratliff family reunion at Lampases recently. The reunion was held on the Colorado river, where swimming was enjoyed followed by a bountiful picnic lunch.

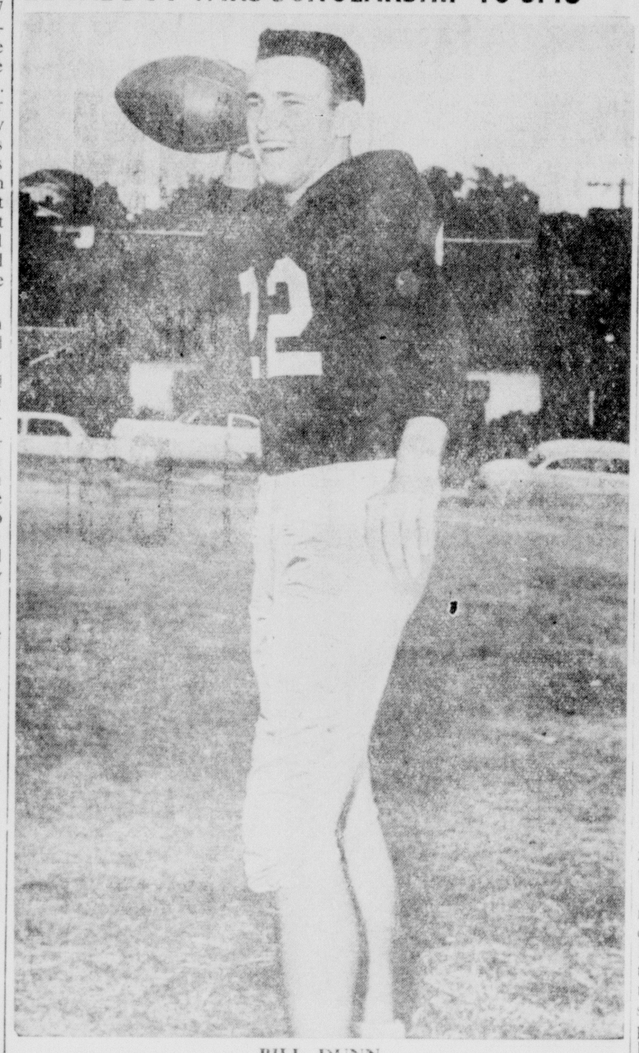
LOCAL BOY WINS SCHOLARSHIP TO SMU



BILL DUNN

By NORMAN SCOTT

Bill Dunn, McKinney High Lions' brilliant quarterback in 1953 and 1954, will leave soon to enter Southern Methodist University on a football scholarship.

Dunn was one of the first gridders to be signed to a letter of intent in April by SMU. He had offers from 12 major colleges before deciding to cast his lot with the Mustangs.

Dunn had a brilliant season in 1953 while quartebacking the Lions, but in 1954, Bill suffered a broken left collar-bone in the second game on the schedule against the Jesuit Rangers of Dallas and was out for the remainder of the season.

He is an excellent signal-caller, ball-handler, passer, kicker, runner, and defensive player, many observers consider the 6-3, 190-lb. Dunn as one of the top college T-quarterback prospects in the state.

Dunn was the Lion' regular center on the 1953 basketball team but was unable to play basketball last year due to his football injury. He was also the Lion' top 220 and 440-yard dash man this year in track.

Bill is the son of Mr. and Mrs. Harry Dunn, 1708 West Street.

Princeton Has Eight Returnees For Football

A veteran backfield will lead the Princeton Panthers this fall as eight lettermen are back with the 13-B school.

John Barnett, Wilson Welborn, Donald Haney and Harrell Campbell gave the Panthers experience in the backfield as all of the boys have earned at least one numeral for the Maroon and White. Haney and Campbell have earned a brace of numerals each. Completing the list of lettermen are Walter Tallard, end Learoy Zackery, tackle, Guy Smith, guard and Charles Bryant, left tackle. Smith and Bryant are both two-year lettermen in the line.

Barnett has been moved from tackle to fullback to give the Panthers the use of his experience.

Princeton boasts a new stadium this year with a 500-seating capacity. The Panthers are members of District 13-B, of which Royce City, Wylie and Frisco are also members.

Lewisville Beats Frisco By Score Of 47-6 . . .

Gordon Salsman led the Lewisville Farmers to a 47-6 victory over the Frisco Coons at Lewisville Friday night. He scored three touchdowns, one from the 58, one from the 48 and one from the 10.

The other touchdowns were scored by Walter Morris, Terry Parks, Ben Smith and Clarence Myers. Salsman kicked four extra points and Smith one.

Frisco's lone touchdown was made by Danny Smotherman, who went over from the 7.

Salsman carried the ball for a total yardage 147 yards. Smith made 127 yards, Salsman averaged 18 yards per carry and Smith 13.

Mesdames Wood Scott, Clint Lewis, Burge Scott and Neal Scott, were in Dallas, Monday afternoon to attend the bedside of Mrs. Jim Scott, who is quite ill in St. Paul's Hospital. She is a former resident of McKinney where she has a host of relatives and friends.

The Owl Club will have a rummage sale Friday and Saturday, September 16 and 17, at the Ford House.

Anna Is One Of District 11-B Favorites

Since Bells is out of District 11-B, Anna and Ladonia are the two top teams in the loop for this season.

Bells dropped football this year due to lack of interest, giving the Coyotes a good chance to pick up the loop crown.

Twelve lettermen will be back to lead coach Sam Barnes' team this year and will give him the nucleus of a squad. Johny Bell and Bobby Cravens, both two-year lettermen are due to lead the Coyotes, a three-year veteran, is slated for top duty in the forward wall.

Other numeral winners are Horace Randles, lineman, Bill Drury, back or end, David Kissinger, end or back, Clayton Jones, end; Billy and Bobby Lair, end and tackle, respectively, Jerry Wyn, back, Raymon Nalls, center and Don Littrell, end and back.

Trenton and Roxton have been added to the league this year, bringin total membership to the two clubs, Anna, Ladonia, Celeste, and Leonard. Bells, a member earlier in the season, has dropped football.

Anna Wins Over Princeton By Score 67-6

Johnny Bell and Billy Drury scored three touchdowns each as the Anna Coyotes routed the Princeton Panthers, 67-6, in the season opener for both teams at Princeton Friday night.

Bobby Cravens scored two touchdowns for the winners and Leon O'Neal and David Kissinger added one each. Cravens, Jerry Wynn and Don Littrell added two extra points each and Bell got one.

Revival At Walnut Grove Presbyterian Church Closes

The revival at the Walnut Grove Presbyterian Church closed Sunday August 28, with dinner in the church dining hall. Rev. D. S. Neal, of Timpson, held the revival. He returned home Sunday.

Frisco Has 15 Lettermen, Eight Regulars

A lot of shifting had to be done at Frisco to fill slots left vacant by graduation, but Coach James Marion has 16 lettermen and eight regulars back this season that may make the Coons a hard team to beat in District 13-B play.

Only three starters were lost last year, but graduation left the Coons without any tested ends to aid in the passing attack spearheaded by Dany Smotherman, a top-notch high school back. Donnie Mayfield, regular guard last year, and Milton (Bubba) Whitsell, regular tackle, have been moved to the wing posts in an attempt to fill the places left vacant. Carroll Hudson, a 200-pounder, moved to Mayfield's slot in the line, and Rayford Hill, 167, took over the tackle post.

A veteran backfield of Smotherman, Millie Reynolds and Charles Curtsinger are expected to carry most of the Frisco load this year, and Charles Curtis, who saw some duty last season, will fill the other slot.

Returning to position they held last year in the line will be Bobby Mays, 170-pound guard. George Mays, 198-pound center and Elzy (Bubba) Johnson, 160-pound tackle.

Reserve strength will come mainly in the line with Pat Waddle, Billy Chandler and Morris Morgan, all three freshmen, due to help out some. Lonnie Day, a transfer who was enligible last season, and Roy Stark, are expected to help out some at ends. Bobby Alexander, up from the junior high team, is due to give coach Marion's team a hand. Although he weighs only 125, Alexander has received the coach's praise time and again for his tackling and defensive work.

Injuries have kept the Coons slowed all season, but Marion hopes that his club can shake the bruises and get into good shape before the count games start. Frisco plays its first conference game Oct. 21, against Wylie, which has been rated as the team to beat for the title.

Lafawn Paul Will Be Featured At Big D Jamboree Show Here

E. A. Randles, is chairman of ticket sales for the Big D. Jamboree which shows here on September 28 and 29, opening nights of the Collin County Fair and North Texas Jersey Cattle Show. Earl Scholenberger president of the Fair Association, has appointed committees to assist Mr. Randles in conducting the ticket sales, and the ducets have also been placed in a number of business places over the county.

The Big D. Jamboree is one of the biggest entertainment features in the state, and McKinney fair officials feel fortunate indeed to have secured the show for Collin County's fair. Thousands of visitors are expected here from throughout North Texas.

One of the featured entertainers on the Big D. Jamboree is Lafawn Paul.

Lafawn Paul is a sweet-sounding name for a sweet-sounding singer. And what an attraction she is.

Blessed with one of the most emotional voices in the entertainment world, the young lady certainly sells a show. Her appearance is usually the highspot of the evening.

She's wholesome — round-faced, big brown eyes, dark eyebrows, expressive lips and presents perfect self composure in her neat appearance. Usually attired in attractive gingham prints, Lafawn has that fresh outdoor look that blends with her serious folk music.

The tired phrase "pleasingly plump" might be used to describe Lafawn. However if the truth were known most women would love to be built like Lafawn. The whistles Lafawn gets from the men proves that the follows admire her looks.

A real show stopper for more reasons than one, Lafawn has every promise of someday being the biggest star in the business. She seriously admits that if she felt the audience ever failed to enjoy her singing then she would no longer enjoy entertaining. If she wasn't sure that the folks out front were being entertained then Lafawn just wouldn't feel right She says she can tell. The way the applause rings out, it's easy to tell that they like her work.

Lafawn admits that she has wanted to be a singing star since she was seven. A top star on the Big D. Jamboree, she has been well received everywhere on her road dates.

Lately, Lafawn has been switching her style a little toward rythm numbers. This has proven very popular and you can count on her to get over well with tunes like "Ko Ko Mo." "Hearts of Stone," "Dance With Me Henry" and "Shake, Rattle and Roll."

When she turns her talents to spirituals some say she is at her bet. She is certainly most sincere. Lafawn is a Texas girl and one who loves the life of show business. They had better make room for her at the top, as this girl is well on her way. She cant miss!

Plano Gets Over Four Inches Rain Friday Midnight

Friday midnight's rainfall in McKinney amounted to .85 of an inch, according to Capt. Roy Hall, local weather observer. This was the first "good rain" we have had since about the middle of July. A trace of rain fell on August 30, but did little, or no good. Friday night's precipitation penetrated the ground three inches, reports Capt. Hall, and will be of much benefit to lawns where grass had died and shrubbery was in need of the moisture.

Plano Gets Downpour.

Editor Don Bagwill of the Plano Star Courier, called us Saturday morning and stated that four and a quarter inches of rain fell within the Plano vicinity Friday night. He did not know how widespread it was, but probably to the county line. No rain fell in Farmersville and vicinity.

TREES AND SHRUBS RESISTANT TO COTTON ROOT ROT

Many shrubs and trees are dying at this time of year as a result of cotton root rot. Where this occurs, it is not wise to replant the same kind of shrub or tree. Select varieties resistant to the disease.

Threes resistant to root rot include: liveoak, hackberry sycamor, Osage orange or bois d'arc, hickory, mesquite, mountain ceder and red cedar, anacua, ceder elm, holly, wild black cherry, wild plus, retama and palms. Recent tests indicate that the silk tree or mimosa tree is also resistant, although observations on this are not yet complete.

Shrubs and hedge plants that survive in rot-rot areas are pomegranate, Pfitzer juniper, yaupon, Douglas pyramidal arborvitae, coralberry and snowberry, huisache, clematis, agarita, Texas Mahonia or blue agarita, New Jersey tea, ocotillo, Turk's cap hibiscus, shrubby blue sage, sotal, yucca and agaves.

MAKE YOUR OWN BELT . . .

Your belt is an important accessory to your costume. If it is well made and the correct type for your finger proportions, it will add a professional touch to your costume.

A narow belt tends to diminish the waist line while a wide one tends to increase it. A belt of contrasting material tends to decrease the height of the figure.

If you are tall and slender, yet well porportioned, chose a wide belt of soft or contrasting material. If you are thin and short select a narrow belt of self or contrasting material. If you are short and stout you will want to wear a slightly narrow belt of self material.

Study your figure proportions and select the best type belt for you. a belt 3¼ to 1 inch wide of self material is a safe choice for most figures. This width may be increased or decerased according to the figure porportions, fashion, and design of garment.

Kits for covering buckles may be obtained at notion counters, or if you prefer, have your buckle covered professionally. In either case be sure that it is the correct size for your belt, that it will wear well and is washable.

To hold their shape, belt should be interfaces with belting or firm muslin. For a permanent finish, belting is preferred. Muslin and cotton belting should be preshrunk.

For direction for making your own belt, ask at the County Extension Office and receive a copy of L—169, "Make Your Own Belt."

Dr. N. J. Salyer Accepts Call To OklahomaChurch

Dr. N. J. Salyer, beloved pastor of the First Presbyterian Church of McKinney since 1952, announced to his Board of Elders and congregation Sunday morning that he had accepted a call to become pastor of the First Presbyterian Church in Clinton, Okla.

Dr. Salyer has served as pastor, since coming here November, 1, 1952, from Brownwood, Texas. A program of progress in all departments of the church, has been made since his arrival in McKinney. His wife, Mrs. Salyer, has served as a member of the senior choir, and director of the youth choir.

◆ ◆ ◆

Prominent Leaders

Under the leadership of Mrs. Salyer, the choir has enjoyed the reputation of being one of the finest choral groups in North Texas. Both Dr. and Mrs. Salyer have been leaders in district and state Presbyterian activities.

Dr. Salyer is a graduate of Missouri Valley College, Marshall, Mo., and the Presbyterian Theological Seminary in Louisville, Ky. He served as pastor of Presbyterian churches at Bristow, and Mangum, Okla., Itasca and Brownwood Texas, before coming to McKinney.

◆ ◆ ◆

In Civil Offairs.

In addition to his church work here, Dr. Salyer has been active in Rotary, Chamber of Commerce, the Salvation Army, and all other phases of civic work in McKinney. His wife has also been active in women's clubs and other community affairs.

Dr. Salyer will not only be missed by the members of his congregation here for his outstanding leadership for his interest in the various affairs of McKinney.

◆ ◆ ◆

Move This Month.

He and his wife will leave for Clinton this month, where he will begin his new work October 1. They have the best wishes of the entire citizenship of McKinney in their new home.

ENGAGEMENT IS ANNOUNCED

Dr. and Mrs. John F. Crawford of this city announce the engagement and approaching marriage of their daughter, Carolyn Louise, to Arley J. Goulden.

Mr. Goulden, son of Mr. and Mrs. D. R. Goulden of Marshall, Texas, is a graduate of Marshall High School and attended Bethany-Peniel College at Oklahoma City for three years. He is at present in the United States Air Force Intelligence Corps at Tinker Air Force Base in Oklahoma City.

Miss Crawford is a graduate of McKinney High School and also attended Bethany-Peniel College. She has been employed with the Department of Agriculture, Farmers Home Administration, in McKinney for the past year.

The couple will be married on October 22 at the North Side Church of the Nazarene in McKinney.

BRIDE IN SATURDAY WEDDING

MRS. JAMES WESLEY OXFORD

The marriage of Miss Barbara Jean Scott and James Wesley Oxford took place Saturday evening, September 10 at 8 o'clock at the Davis Street Church of Christ, this city, Frank Perigo, minister at Page and Cumberland Church of Christ, in Dallas, officiated.

Parents of the couple are Mr. and Mrs. W. F. Scott, of McKinney and Mr. and Mrs. E. W. Oxford, of Allen.

The impressive double ring ceremony was performed before a white archway with palms and gladiolus, and four standards of candles in the background.

The pre-nuptial music "Because" "One Alone" and "The Lord's Prayer" was sung by Johnny Blankenship, Miss Mary June Speck and Charles Carmen.

Mr. Scott gave his daughter in marriage. She was lovely in a fairy-tale ballerina length bridal gown of Chantilly lace and nylon net, fashioned with a lace bodice and sweetheart neckline. Its enchanting radiance was heightened by a misty layer of nylon net and lace over a lavishly full ruffled nylon net skirt over shimmering satin. She wore a matching cap with pearls and sequins from which fell an illusion veil to her fingertips. The only jewelry worn by the bride was a single strand of pearls a gift of the groom. She carried a White Bible, topped with a white orchid.

Miss Mary Lewis, maid of honor was dressed in yellow nylon net over matching satin and carried a colonial bouquet of blue carnationas.

Carroll Lees of Irving attended Mr. Oxford as best man and ushers were Jerry Robinson and Jimmie Robinson. Candlelighters were Ricky Robinson and Max Lee Handing of Allen.

The reception was held at the home of the bride's parents, 804 North College Street. The table was covered with imported linen, over blue, and centered with an arrangement of yellow chrysanthemums.

The three tiered-wedding cake was topped with minature bride and groom. Assisting in serving were Miss Betty Cowder, Miss Shirley Oxford, sister of the groom at the cake; Miss Shirley Scott and Miss Lynne Myers, pouring punch, and Miss Dorothy Gaskill at the bride's book.

Mr. and Mrs. Oxford left for a wedding trip to West Texas and New Mexico after which they will return to McKinney to reside at 804½ North College Street. For traveling, Mrs. Oxford wore a blue-gray imported French wool flannel suit with navy accessories and a white orchid corsage.

For her daughter's wedding Mrs. Scott wore a blue two-piece silk dress with navy accessories and a white calla glad corsage. Mrs. Oxford wore a grey two-piece faille dress with black accessories with a white calla glad corsage.

The bride was a spring graduate of McKinney High School where she was a member of the National Honor Society. At the present time she is employed at the Texas Daily Press League in Dallas.

Mr. Oxford finished High School in Allen and is now employed in Richardson.

Funeral Services For Former Resident Of Celina Are Held

Mrs. Sarah G. Harris, 88, died Friday at 10 a.m. at the home of her daughter, Mrs. Charles Brinner, in Dallas. She had been living there for three years and had been ill for sometime.

Mrs. Harris is a former resident of Celina, but moved to Weatherford, Texas thirty years ago. She came to Texas in 1873.

Her funeral services were held Saturday at 3:30 p.m., in the Celina Methodist Church, conducted by Rev. Dave Lewis, pastor, with interment in Cottage Hill Cemetery directed by Helms Funeral Home.

Surviving are one daughter, Mrs. Charles Brinner, of Dallas; a son P. G. Harris, of McKinney, and Olen Harris of Celina, and several nephews and nieces.

R. E. Dunlap Passes AwayMondayMorning At Residence Here

Robert Edward Dunlap, 72, died at 2:05 a.m. Monday at his home, 701 Anthony Street. He was born July 25, 1883, in Texas, the son of Mr. and Mrs. W. F. Dunlap.

Surviving are his wife, Mrs. R. E. Dunlap, of McKinney; a son, R. E. Dunlap Jr., of Pensacola, Fla., a brother, Frank Dunlap, of Odessa; two step-sons, Horace and Lester Dunlap, both of Dallas, and two grandchildren.

Funeral services were held Tuesday at 2 p.m. in the Crouch-Moore Funeral Chapel, conducted by Rev. John Barry, minister of the East Christian Church, with burial in Pecan Grove Cemetery.

Johnny Bradley President 4-H Club At Chambersville

Johnny Lee Bradley was elected president of the Chambersville 4-H Boys Club at a meeting held September 6 at the school. Other officers elected are: Larry Billings, vice president; Donald Ben Bradley, secretary; James Calvin Gaines reporter; Maurice Carter, recreation leader, and Jimmy Stanley, song leader.

Mr. and Mrs. Wesley Murphy, of Dallas, and Mr. and Mrs. W. G. Burnside, of this city, spent the Labor Day week-end in Galveston.

...News From The... COUNTY AGENT

By V. L. DAHLBERG

EFFECT OF INSECT CONTROL ON PROFIT . . .

Farmers who fail to control insects on their crops are gambling with their year's work and most lose rather heavily. In a recent study of some 67 cotton farm operators, insect control did pay.

Of the 67 farms studied 23 made two or more applications of insecticides. No insecticides were applied on 44 of the 67 farms. Where insects were applied, yields average 175 ponnds of lint cotton per acre. Where there was non applied, yields averaged 140 pounds per acre. Figuring lint at 32c per pound, the increase of 35 pounds per acre gave a gross extra income of $11.20. The cost of applying the insecticide plus extra harvesting costs figured $4.20 or a net extra income of $7.00 per acre. Figured on a total crop basis, this extra $7.00 per acre meant an extra $700.00 to $700.00 in the pockets of 23 of the 67 farmers.

In areas of Texas, insect control programs have given a much higher return on similar investments.

Certainly with cotton acreage allotments as they are, we just can't afford to neglect this necessary practice of crop production and expect to maximize profits. Your county extension office will gladly help you plan an insect control program which you can put into practice on your farm in the future.

FUTURE FOR GRAIN SORGHUMS ROSY . . .

Hybrid grain sorghums are here and seed in limited quantities will be available for planting next year, the expected 20 to 40 per cent incras in yilds from the hybrids plus grain sorghums' ability to outproduce corn in dry years is apt to push the grain sorghum belt eastward from the Great Plains.

U. S. Deuartment of Agriculture experts cerdit experiment stations in Texas, Kansas, Nebraska, and Oklahoma with doing most of the research work which has resulted in the new hybrids. They received asistance from scientist of the Department of Agricultural Reserce Service, notably J. C. Stephens working with Texas personnel at the Chillicothee substation, and Dr. John H. Martin, the Department's long time leader in grain sorghum research.

The crop has been gaining in popularity for feed following small garins in the South. During the past decade the harvested acreage has averaged nearly 7. 2million acres annuallyy. Last year approximately 10.8 million acres were harvested and the 1955 acreage is estimated at 13.2 million acres with a probably yield of 266 million bushels.

Grain sorghums are a major crop in Texas, Kansas Nebrasdka, Oklahoma and Colorado and consoderable acreage in California, New Mexico and South Dakota is devoted to the crop.

The grain is used in mixed feeds escpecially for poultry and more recently in the production of such food items as starch and dextrose.

Livestock Group Banqueted At Finney's Bakery

The Collin County Livestock Association met Saturday night, September 10 at 7:30 o'clock at Finney's Bakery, where the members and guests were entertained with a barbecue dinner. Hosts for the occasion were the Johnson Furniture Company, A. M. Scott & Company Insurance office and Finney's Bakery. Some 175 members and guests enjoyed the affair.

◆ ◆ ◆

Boren Presides.

Riley Boren, president of the association, announced the Fair dates some of the plans underway, and urged exhibitors to have their entries in by September 15. Plans this year are for one of the biggest fairs in the history of the county, with the North Texas Jersey Cattle Show being held in connection with the local exhibits. The Big D Jamboree, radio and TV show from Dallas, will furnish entertainment the nights of September 28 and 29. Tickets are on sale now for that event. The fair dates this year are September 29 through October 1.

◆ ◆ ◆

Banquet For Exhibitors.

It was also announced that the livestock exhibitors in the county fair will be entertained with a banquet on the night of October 30 at the First Christian Church.

Guest speaker for the evening was E. R. Eudaly, of Universal Mills who brought an inspiring and entertaining message to the large group.

One of the features of the evening was a drawing for free door prizes which were given away by the hosts.

Sunday guests of Mr. and Mrs. G. E. Hemphill were Mr. and Mrs. G. E. Hemphill Jr., of Oklahoma City, Okla., Mrs. Eunice Riser and granddaughter Mrs. Hart, of Bennington, Okla., and Mr. and Mrs. B. E. Richardson, of Grand Prarie.

Mr. and Mrs. James Stewart and baby daughter, Marilyn Elizabeth have as their guests this week. Mrs. Stewart's parents, Mr. and Mrs. N. W. Nall, of Centralia, Ill., and her uncle and aunt, Mr. and Mrs. J. W. Nall of Bergennes, Ill.

Liquor Raid Made Saturday In Farmersville

The Sheriff's Department made a liquor raid in Farmersville Saturday afternoon, reports Sheriff Floyd Williams. Deputies Jim Standerfer and Robert Ramsey, in company with Roy Eldridge, of Sherman, who is a Liquor Control Board agent, filed charges against Rock Wilcox, of Farmersville, for possession of intoxicating liquors for purpose of sale.

◆ ◆ ◆

Confiscate Intoxicates.

The officers confiscated four cases of beer, 16 quarts of wine, 12 half-pints of whiskey and 12 half-pints of gin.

The raid took place at the man's home. Wilcox made bond Monday.

Night Patrolmen Ray Brooks and Jimmy Hardin picked up a Latin-American Saturday evening, with two cases of beer. He was on Farm Road 545 when arrested. Charges of transporting intoxicating liquor were filed.

Two Wrecks In City Limits On Saturday

Chief Otho Nitcholas reports City Police investigated two automobile accidents within the city limits Saturday.

At 10:30 a.m. Walter B. Meuir, Route 5 McKinney, received $100 damage to his car when he collided with Will Ed Gay, whose car damage was $25. Officer Fraze and Assistant Chief Ford, made the investigation.

◆ ◆ ◆

Another Accident.

The intersection of Highway 75 and Standifer Streets was the scene of another accident at 1 p.m. when some $200 damage was estimated to William Tilman Anderson's car. He gave his address as Mineral Wells. William Frank Powell, driver of the other car involved, received $350 damage of his car. Sgt. Bob Hardin and Herman Head were in charge of investigation.

Other week-end activities at the police station included the arrest of four persons for drunkenness and one for driving while intoxicated.

Mrs. Myrtle Cox, of Sulphur Springs, was a McKinney visitor Thursday. While here Mrs. Cox called by the Daily Courier-Gazette and Weekly Democrat-Gazette office and subscribed for the paper for the coming year.

TOM and PETE

THE HOME TOWNERS

THE GREEN LIGHTS ARE ON IN McKINNEY AND COLLIN COUNTY

IN A recent special session of the Commissioners Court they decided to cover the employees of the Commissioners with accident insurance, plus $750.00 medical expense supplement. The insurance was taken with the American Insurance Company, offices Dallas, Texas. The cost will be $199.26 a month or $2391.12 a year. This Your Home Towners believe is sound logic. Recently the employees of the Commissioners were given a raise in salary. We have been hammering on our typewriters regarding the raising of our Deputy Sheriff's, who, in our opinion, are underpaid, considering the hours and days, they work and the type of dangerous job they must perform. We feel sure that our Deputy Sheriffs are covered with insurance just like the employees of the commissioners. Also we feel sure that some McKinney insurance man made a little commission out of the policy that was sold to the County.

McKINNEY AS well as any town can get ideas from their neighbors, whether it be Sherman, Dallas, Denton or Greenville. We refer to what Dallas is doing. Recently Mayor Thornton of Big "D" named a group of citizens to chart a future course for the city's growth. Talking to a McKinney citizen he made this remark: "If I were going into business I would follow the business lines of a successful business that is operating now and certainly would not follow one that was not successful!" Seems that Big "D" and other towns are on the go and we in McKinney can step up our "tempo" for the future with a little planning for the future. Mayor West should consider this because "It's later than you think," friend Bill.

TRAFFIC accidents have killed more people and caused more property damage thus far this year than at the same time in 1954 in the 12-county Dallas district of the Texas Highway Patrol.

Ninety-five deaths have been credited to traffic crashes this year, compared to 88 last year. There were 994 accidents investigated this year, only 787 last year.

The highway patrolmen investigate only those accidents in rural areas outside cities or towns of more than 2,500 population.

Property damage has reached almost to the million mark—$949,608—compared to $489,168 last year.

The report was made by Capt. Harry Hutchison, officer in charge of the Dallas district.

And Collin County is furnishing her share of the traffic accidents and deaths—think it over.

Clergy Here Endorses Local Hospital Drives

The regular monthly meeting of the local ministers' association was held at the Town House Restaurant on Monday, September 12 at 7:00 a.m. In the business meeting Rev. Lee Hillery was elected secretary-treasurer to replace Rev. J. L. Koontz. A committee composed of Dr. Chas. Myers, Rev. Baldwin Stribling and Rev. Earl Rogers will set up a schedule for the ministers appearing at the grade schools, the junior high and high schools for weekly devotionals and for presentation of the International Sunday School lessons during this school year. Dr. Myers, Rev. Lawrence Gholson and Rev. George Kemp were appointed as a committee to lay plans for the annual Thanksgiving service.

The ministerial association at this meeting goes on record as endorsing any movement for a progressive McKinney. A motion was made and seconded that the "ministerial association endorse and support the bond issue for the proposed City-County Hospital." The vote in favor of this motion was unanimous.

The association discussed the issue of the Veterans Hospital remaining in McKinney and by unanimous consent will use its influence to keep the Veterans Hospital in McKinney. Rev. M. B. Terrill, Rev. J. E. Bryan, Rev. Stribling and Rev. Hillery were given authority as a committee to draw up a resolution expressing the association's sentiments on this issue, copies of the resolution to be sent to proper authorities.

The meeting was adjourned with a prayer of dismissal by Rev. Rogers.

Motor Vehicle Inspection To Begin Sept. 15

AUSTIN — Col. Homer Garrison, Jr., Director of the Texas Department of Public Safety, announced that the Public Safety Commission has set September 15, 1955, through April 1:, 1956, as the new Motor Vehicle Inspection period for state motorists.

Garrison pointed out that this will give Texas car owners a full seven months to report to one of the more than 4,000 licensed inspection station in the state for a safety check of their vehicles.

Mr. and Mrs. Joe McKinney and son, Joe Charles, and Mrs. Clara Reddell and daughter, Miss Shirley Reddell, recently returned from a delightful two weeks vacation in West Texas, New Mexico and Colorado. They visited in Big Spring, Carlsbad Caverns, Sante Fe, N. M., and Creed, Colo.

Permit To Study Nuclear Energy Data Granted TP&L Co.

An Access Permit for restricted data relating to the civilian uses of nucleear energy has been granted to the Texas Power & Light Company, it was announced by W. W. Lynch, TP&L president.

The permit was granted in answer to an application made by the TP&L company to the U. S. Atomic Energy Commission. The confidential data will be used to determine the feasibiliy of utilizing nuclear energy in the Company's business.

The permit, Mr. Lynch said, will keep Texas Power & Light Company abreast of the latest developments in the field of nuclear energy as applied to electric power plants. It will make possible consultation between key TP&L personnel who have been given security clearance and atomic scientists and will give them access to laboratories and research centers where up-to-date data are contained.

"While Texas Power & Light has not done any work in this field and has no knowledge of classified data," said Mr. Lynch, "one of its employees is engaged full time making a study of unclassified information. In addition, emeployees have attended open meetings on nuclear energy, such as those sponsored by the Atomic Industrial Forum and the National Industrial Conference Board."

Personnel clearances are expected to be completed within a month.

North Texas Chapter Of Social Workers To Meet In Dallas

The American Association of Social Workers' North Texas Chapter members will meet on September 21 at the Jewish Welfare Federation, 1817 Pocahontas Street, in Dallas, Texas.

Motorists Warned Against Following Emergency Vehicles

It is a violation of the law to follow fire trucks, ambulances or other emergency vehicles to the site of the emergency and those who continue this practice will be given tickets and prosecuted.

This warning was issued Tuesday by Highway Patrolman Sam Purtle who said that motorists following ambulances to the scene of Sunday night's crash near Westminister when Mrs. Frank York was killed and her husband seriously injured hampered the work of emergency crews and made it very nearly impossible for him to get to the wreck.

Patroiman Purtle also pointed out that it is a violation of the law to park automobiles on the pavement at the scene of an accident. Cars and trucks or other vehicles must be parked entirely off the pavement and, if the accident is at night, must have parking lights turned on.

Purtle said that tickets will be given in the future to violators of these safety laws. He urges the full cooperation of all motorists in correcting a bad situation.

A Myth?

● No authentic sea devil posed for the likeness above. Our artist had, literally, to draw on his imagination. But even in the realm of reality, there are things difficult to portray . . . for example, the satisfying service of this fine pharmacy. We can only suggest that, for a practical demonstration, you turn to us for your needs in drugs and sundries. And bring us your Doctor's prescriptions. They are our specialty.
